Handout 9 – Quick guide to accessing the Key Stage 3 Framework for languages

The components of the new Framework are available from:

<http://nationalstrategies.standards.dcsf.gov.uk/mfl>.

The box on the right hand side, ‘Key Stage 3 Framework for languages’ has links to:

- the **Learning objectives** (<http://nationalstrategies.standards.dcsf.gov.uk/node/169162>)
- the **Exemplification** (<http://nationalstrategies.standards.dcsf.gov.uk/node/189541>)
- and the **Guidance** (<http://nationalstrategies.standards.dcsf.gov.uk/search/mfl/results/nav:49830>).

On the **Learning objectives** page:

1. select the year required
2. select individual substrands or all of the strands and substrands
3. go to the bottom of the page and select ‘Go’

This takes you to the chosen substrands.

Alternatively, to view an individual substrand, select it directly from the links listed on the left hand side of the page.

You can also download a PDF that lists all the objectives by selecting the link (<http://nationalstrategies.standards.dcsf.gov.uk/node/187051>) in the introductory text.

PDFs of the Exemplification and glossary can also be accessed from here.

On the **Exemplification** page

The panel on the right hand side contains links to PDFs of the Exemplification (<http://nationalstrategies.standards.dcsf.gov.uk/node/189433>) and the Glossary (<http://nationalstrategies.standards.dcsf.gov.uk/node/189379>).

On the **Guidance** page

The chapters of the Guidance, with introductory text, are listed in order. Some chapters contain several parts, which are listed as indented text underneath the chapter introduction.

The modules are available from <http://nationalstrategies.standards.dcsf.gov.uk/mfl>.

The box on the left hand side, 'Sections in Modern foreign languages' has a link to **CPD** (continuing professional development – <http://nationalstrategies.standards.dcsf.gov.uk/search/mfl/results/nav:49828>)
