### And now for something else...!

When you focus on grammar for a while, you can forget to develop your vocabulary. Remember Week 1's follow up session introduced you to [www.busuu.com](http://www.busuu.com). Go back to this and continue working on the Beginner A1 lessons. There are 20 short lessons of vocabulary in A1 level. See how many you can do. **Lessons > Beginner A1 > Lessons 1 – 20.**

The screenshot shows the busuu.com website interface. The top navigation bar includes the busuu logo, a language selector (Spanish), and an "Upgrade to Premium!" button. Below the navigation bar, there is a menu with options: Lessons, Corrections, Vocabulary, and Me. The main content area displays a list of lesson levels: Beginner A1, Elementary A2, Intermediate B1, Upper Intermediate B2, Travel Course, and Business Course. The "Beginner A1" level is highlighted.
